Striders Debut in USATF NE Gran Prix Series

The Gate City Striders made an impressive debut at the 2002 USATF New England Gran Prix Series opener – the New Bedford Half Marathon – by finishing 13th out of 22 teams despite fielding teams in only 4 of the 7 contested divisions. We could have easily moved up 2-3 spots in the standings if we had just 1 more 50+ women run the race.

The Men's and Women's Open Teams led the way by scoring 12 and 7 points respectively as the 9th and 11th teams in their divisions. The Men were led by Moatacim Hamcha in 1:11:55. Moatacim recently moved from New Hampshire to New Bedford. The women were led by Nikole Shriner, a former Nashua High School runner, in 1:26:45.

The Men's Masters and Seniors Teams added 4 more points to the teams total by both finishing 15th. 25 Striders participated.
