## Remaining New Hampshire Grand Prix Races

With only two races left in the New Hampshire Grand Prix Series the club has a slim 41 point lead for the Club Championship. The next race is the Run for Shelter 5k in Manchester on Oct 19th. This race is in our own backyard and we will need a good turnout in all the age and gender divisions. It is our last opportunity to built a larger lead before we enter the final race in the series. That race is the following Sunday, the 25th at Rochester. The distance is 10k and Rochester will have a large turnout of their members at that race. So mark both dates on your racing calendar and plan on helping the Club reclaim the Championship.
